

## THEMATIC AREAS

- Geological and Geotechnical Modelling
- Case Histories
- Design for Earthquakes and Dynamic Loads
- Earth Retaining Structures
- Environmental Geotechnics
- Experimental Investigations
- Foundations
- Sustainable Geotechnical Practices for Infrastructure Developments
- Use of AI, Robotics, Deep Learning and Machine Learning in Geotechnical Engineering
- Advances in Ground Improvement
- Geotechniques for Natural Disaster Resilience
- Engineering Geology, Rock Engineering and Tunnelling
- Advances In Site Investigation and Characterization
- Geotechnical Risk Assessment and Management
- Transportation Geotechnics
- Energy Geotechnics
- Offshore and Harbour Geotechnics
- Problematic Soils
- Deep Excavations
- Geosynthetics

## KEY DATES

### Abstract Submission

July 15, 2025

### Full Paper Submission

January 15, 2026

### Camera-ready Paper Submission

June 15, 2026

## ORGANIZING COMMITTEE

**Co-Chairs** Eng K L S Sahabandu  
Prof H S Thilakasiri

**Conference Secretaries** Dr J S M Fowze  
Dr K H S M Sampath

**Treasurer** Eng Mahinda Rathnasiri

**Members** Prof Athula Kulathilaka  
Eng Kirthi Sri Senanayake  
Prof Udeni Nawagamuwa  
Prof Nalin De Silva  
Prof Nadeej Priyankara  
Prof Chandana Kurukulasuriya  
Prof MCM Nasvi  
Dr Asiri Karunawardena  
Dr SK Navaratnarajah  
Dr Prasanna Rathnaweera  
Eng RM Abeysinghe  
Eng (Ms) Gayani Karunaratne  
Eng Janaka Priyantha  
Eng (Ms) Lasanda Padmasiri

### Advisory Committee

Engr Amjad Agha  
Dr Anil Joseph  
Asso Prof A Jotsikassaa  
Dr Ashok Peiris  
Prof Buddhima Indraratna  
Prof Charles W W Ng  
Prof Dharma Wijewickreme  
Prof Hema Siriwardane  
Dr Jayantha Ameratunga  
Prof Jayantha Kodikara  
Prof Keh-Jian (Albert) Shou  
Prof Krishna R Reddy  
Prof Kyoji Sassa  
Prof Leong Eng Choon  
Emeritus Prof MR Madhav  
Dr Mandip Subedi  
Prof Manjriker Gunaratne  
Dr Marc Ballouz  
Prof KK Muraleetharan  
Prof Nimal Rajapakse  
Prof P Jayawickrama  
Dr Rajendra Bhandari  
Dr Rajinder Kumar Bhasin  
Prof Ranjith P Gamage  
Asso Prof S Liyanapathirana  
Asso Prof Siva Sivakugan  
Dr Suraj De Silva  
Asso Prof Suttisak Soralump  
Dr Upul Atukorala

## INTERNATIONAL CONFERENCE ON GEOTECHNICAL ENGINEERING (ICGE - COLOMBO - 2026)

The Sri Lankan Geotechnical Society (SLGS) is delighted to invite geotechnical professionals, researchers, and academics from around the world to ICGE-Colombo 2026, a premier international conference set against the stunning backdrop of Colombo, Sri Lanka. This edition of the conference holds special significance as it coincides with the 40<sup>th</sup> Anniversary of the Sri Lankan Geotechnical Society, marking four decades of excellence in advancing geotechnical engineering knowledge and practice. A commemorative celebration will be held during the conference to honor this milestone. Taking place on the 24 and 25 of August 2026, this event serves as a global platform to exchange knowledge, explore innovative research, and discuss emerging trends in geotechnical engineering.

ICGE - Colombo - 2026 will feature global expertise and cutting-edge research in key areas such as Piled Foundations, Geo-Risk Mitigation and Monitoring, Slope Stabilization, and Transportation Geotechnics. Distinguished international experts will deliver keynote sessions, offering invaluable insights into the latest advancements and challenges in the field. The conference proceedings will be peer-reviewed and published both on the SLGS website and as a printed volume, ensuring lasting contributions to geotechnical knowledge.

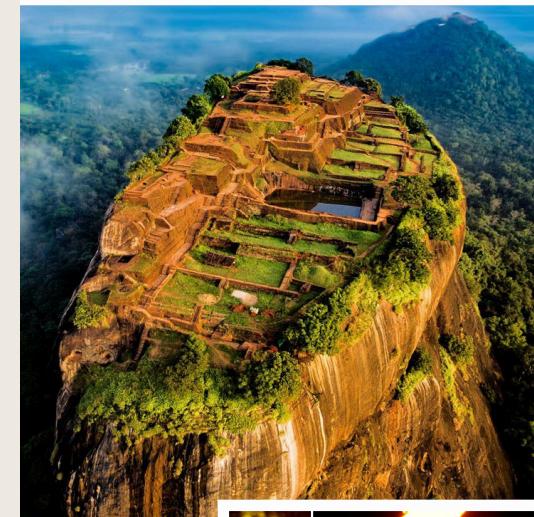

The venue for the conference, Cinnamon Grand Hotel, offers world-class hospitality in the heart of Colombo. As one of Sri Lanka's finest five-star hotels, it provides exceptional dining, accommodation, and entertainment facilities, all while overlooking the mesmerizing Indian Ocean. Special room rates have been arranged exclusively for conference attendees, making it a convenient and luxurious experience. Beyond the technical sessions, participants will have the opportunity to explore Sri Lanka through exclusive technical and sightseeing tours. These tours will offer insights into the country's rich heritage, breathtaking landscapes, and impressive infrastructure developments. Attendees can immerse themselves in Sri Lanka's national parks, pristine beaches, and vibrant cultural landmarks. With well-organized and trusted travel arrangements, participants can safely explore the island from North to South.

Join us at ICGE - Colombo - 2026 for an enriching and unforgettable professional and cultural experience. Stay tuned for further details on abstract submissions, registration, and travel arrangements!
