

INTERNATIONAL CONFERENCE ON GEOTECHNICAL ENGINEERING

COLOMBO CITY TOUR PROPOSAL

HALF DAY – AUGUST 2026

Breakfast at the respective hotel.

8:30 am proceed on a guided city tour of Colombo.

- Visit Independence Square

Independence Square, one of Colombo's most symbolic national landmarks. Centered around the grand Independence Memorial Hall, the structure is inspired by traditional Kandyan royal architecture, with intricately carved stone pillars and a majestic open pavilion.

- Visit Gangaramaya Temple

Explore Gangaramaya Temple, one of the most important and visually fascinating Buddhist temples in Colombo. Unlike traditional temples, Gangaramaya is an eclectic blend of Sri Lankan, Thai, Indian, and Chinese architectural influences.

- Visit Lotus Tower

Conclude with a view of Lotus Tower, the tallest structure in Sri Lanka and a defining feature of Colombo's skyline. Inspired by the shape of a lotus flower - symbolizing purity and prosperity - the tower rises prominently above the city.

- Colombo Fort & Dutch Hospital

Proceed to Colombo Fort, the historic and commercial heart of the city. Once a fortified colonial settlement, it now showcases a fascinating mix of old-world architecture and modern business towers.

Stop at the beautifully restored Dutch Hospital Shopping Precinct, one of the oldest buildings in Colombo. With its charming courtyards, shaded walkways, and boutique outlets, it offers a relaxed setting for a brief walk or refreshment stop.

On completion proceed to the respective hotel in Colombo by 12.30pm.
